Re: Offer of Summer Internship 2026 | VLED Lab, IIT Ropar

Dear Madhav Rimal,

We are pleased to offer you a position in Summer Internship 2026 organised by the Vicharanashala Lab for Education Design (VLED Lab) at the Indian Institute of Technology Ropar. Your internship start date is 15/05/2026.

This offer is based on your performance in our rigorous evaluation process. Phase wise progression of the internship, programme schedule, and all operational details will be covered in the program FAQ at samagama.in and during your orientation and onboarding sessions.

ABOUT THE PROGRAM

Summer Internship 2026 is a structured summer internship programme built around real open-source software for India-centric problems. You will not be a background trainee completing exercises. You will be an assigned contributor on a live repository — working on problems that are active, consequential, and publicly accessible. Your name will be on the commits. Please note that participation in this programme is conditional on the maintenance of professional conduct in all interactions with mentors, peers, and coordinators throughout its duration.

To accept: please reply with the filled acceptance of this offer to this email within 5 days, with sudarshansudarshan@gmail.com in CC.

We look forward to having you on board.

Yours sincerely,

Sudarshan Iyengar

ACCEPTANCE OF OFFER

I, Madhav Rimal, confirm that I have read, understood, and accepted all terms, conditions, and obligations set out in this offer letter and in the program FAQ at samagama.in. I formally accept the offer of Summer Internship 2026.
